Walk-in Wednesdays

Time: 9:00am

RNs, join us Wednesdays for on-site interviews from 9:00 am to 2:30 pm, held at our HR office [a828 N Center St, Hickory, NC 28601](#). Learn more about opportunities at Frye Regional Medical Center, tour our facility, and meet with our recruiters.

RSVPs appreciated but not required:

[RSVP HERE](#)

Frye Regional Birthing Center Pre-registration Informational Sessions

Time: 1:00pm

Recommended for all mothers delivering at Frye Regional by 28 weeks gestation.

Call [828.315.3041](tel:828.315.3041) to register. Or register online [here](#).

Diabetes Education Classes

Time: 1:00pm

The Diabetes Care Center is dedicated to improving the education and care of individuals living with diabetes. Education is provided to patients by Certified Diabetes Educators (CDEs) on staff. The classes will each be 2 hours long, from 1:00 – 3:00 pm and build off of the previous week of education.

Breastfeeding Support Group

Time: 1:00pm

This support group is led by a registered nurse and board-certified lactation consultant who provide support and guidance for breastfeeding your child.

Call [828.315.3041](tel:828.315.3041) to register. Or register online [here](#).

Breastfeeding Class

Time: 6:00pm

Get breastfeeding off to the best start possible with our breastfeeding class. Our Certified Lactation Consultant provides you with clear, accurate breastfeeding information for the “soon-to-be” new mother.

Call [828.315.3041](tel:828.315.3041) to register. Or register online [here](#).

Diabetes Support Group

Time: 6:00pm

Frye Regional’s Diabetes Support Group offers diabetes education to promote and encourage diabetes self-management. The group offers diabetes management techniques, healthy eating tips, general wellness advice and ongoing diabetes education. For more information, call [828.315.3563](tel:828.315.3563).

Childbirth "On the Go" Education Class

Time: 1:30pm

Frye Regional Medical Center offers free childbirth classes. Rely on our educators to make you feel comfortable and prepared when your big day comes. Learn what to expect when you’re pregnant and what to expect during labor and delivery during this one-day class.

Topics covered include:

- Body changes during pregnancy

- Differences between true and false labor
- Stages of labor
- Birthing process and medical treatments
- Techniques for comfort, breathing and relaxation
- Postpartum care

Call [828.315.3041](tel:828.315.3041) to register. Or register online [here](#).
